

DayCare/School Painting Assistant (Volunteer, Part-time)

Summary:

Gain experience working with children! Volunteer with Bisque It to assist children aged 4-14 during out-of-studio events at daycares & schools.

This is a volunteer (un-paid) position ideal for any person interested in working with children or preparing for teacher's college or any career related to teaching, working with groups of children/young adults etc.

Painters who choose to visit the studio and do their own pieces to keep may be offered discounts at owners' discretion.

Volunteer expectations & responsibilities include but are not limited to the following:

- Contribute to a positive team environment and openly, pro-actively discuss any design ideas or opportunities for improvement with the studio owners.
- Demonstrate enthusiasm, studio/pottery knowledge (or the willingness to learn it), integrity, and honesty that promote the culture and values of Bisque it while working out of the studio.
- Set a positive example and develop positive relationships at all times with Bisque it staff & customers.
- Participate in scheduled out-of-studio painting shifts with reliable and consistent attendance and punctuality on an as-needed basis.

Required Skills & Abilities:

- Effective oral communication skills
- Strong interpersonal skills
- Strong problem-solving skills
- Ability to work as part of a team & demonstrate Team-building skills
- Ability to work in a 'think-outside-the-box' changing environment
- Passion & enthusiasm.

Assets:

- Art training, education and/or experience with pottery painting or similar/related skills such as painting on other mediums, drawing and/or crafts of a similar nature.
- Retail experience.
- Exposure, training, work experience and/or practice leading or assisting with any group activity -- adults or children.

Education:

- High school completion
- College or University experience an asset
